

1.4 Feedback System

1.4.1 Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders.

Students	Teachers	Employers	Alumni
Yes	Yes	No	Yes

1.4.2 Feedback process of the institution may be classified as follows :

College collect feedback from our students, teachers, alumni and parents at the end of each academic session. IQAC prepared separate questionnaires for each of the stakeholders. Student's feedback is received on varied aspects of the college including: The question for syllabus is as below Learning value in term of skills/concepts/knowledge/analytical/abilities, Depth of the course content, Extent of coverage of course, Availability of study materials, Reference and text book Level of course on the basis of understanding. Usefulness of course in career building and other query are teachers and teaching methods, departmental facilities, library, administration and staff behaviour, lab facilities, college campus, academic environment, different activities etc. IQAC, Principal and faculty member motivate students to fill feedback. Teachers feedback on curricular aspect is collected at the end of every year. Alumni feedback question cover on curricular aspects, quality of teaching, campus, infrastructure and overall rating of the college. Parents Feedback: Parents were asked questions related to the workload in various courses, curriculum delivery in the college, additional courses offered by the college for enriching the curriculum etc. According to above mention question all stakeholders put their view. First, we collect feedback and analysed it. Our feedback analysis committee analysed all feedback and prepared a conclusion of each feedback question. Necessary actions like improvement in facilities, regular arrangement of lectures and practical's, intimating the concerned teachers about Program and Courses etc Additionally the college has a suggestion box and the inputs are analysed by the Management and necessary amendments are made. Their feedback regarding physical facilities, co-curricular and extracurricular activities of the college is discussed in the IQAC meetings and necessary steps are taken to solve their grievances if there are any. College infrastructure and facilities are continuously being upgraded to suit the needs of changing curriculum. Many infrastructural improvements to provide bigger, better equipped classrooms to the students and fulfil all necessary requirements of space.

TEACHERS FEEDBACK ANALYSIS REPORT

2015-2016

The role of faculty in designing and developing of curriculum is one of the most prominent one in the development of any institution. Feedback from the faculty pertaining to their satisfaction in modelling of a curriculum plays a pivotal role in establishing the importance of an educational institution in the society.

Most of the teachers are of good opinion on curriculum design and development. The analysis of the teachers' feedback reflects the adequacy and availability of teaching-learning facilities. The staff members showed a strong opinion that the department facilitates a conducive environment for teaching learning process. They also expressed those tests and examinations were conducted well in time with proper coverage of syllabus.

60% teacher gives positive response to adopt new technique/strategies of testing and assessment.

Suggestion:

ICT Facilities /LCD projector required for interactive class.

Sufficient books in library relevant to syllabus.

Cleanliness of Toilet/washroom

ACTION TAKEN

More books in library relevant to syllabus

Regularly cleaning of washroom

FEEDBACK ANALYSIS REPORT 2015-16

The continuous analysis of the teaching and learning process with the help of students' feedback facilitates the teachers and the college to improve the knowledge, skills and the quality of the education. The college periodically solicits feedback from students of all the courses regarding teachers, college and the office staff. Feedback based on twenty one broad factors, for the opinion of the students regarding teachers, college campus, infrastructural facilities, college atmosphere, quality of teaching staff and the position of the college .

Nature of Feedback Collected : Offline

ANALYSIS OF STUDENTS FEEDBACK RESPONSE-

1. Syllabus - Most of the response of student about syllabus was very good and best.
2. Syllabus Completed - About 85 % student responses that syllabus was completed on time.
3. Availability and use of teaching material - 90% student response that most of the teacher uses teaching material properly.
4. Use of delivered education in future - Nearly 65% student response that whatever the education provided by the college is useful in future.
5. Practical Work/Time/Facility/Availability of practical material - About 80% percent student satisfied about the college practical work, time, facility and availability of practical material.
6. Transparency of valuation- 80% students response was very good about the internal examination conducted by the college.
7. Behavior of teachers- 92% of student response was very good and best about the behavior of teaching faculty of college.
8. Behavior of Office staff- 70% of students response was very good and best about the behavior of office staff of the college.
9. Library Facility-75% of students response that library facility available in the college is good. Some of the student response very good and rest response was average.
10. Computer Facility-50% students response that computer facility available in the college is average and simple but rest 50% response was good about the library facility.
11. Sport facility-Only 50% student satisfied the sport facility available in the college.
12. Extra Curricular Activities- 60% student response that extracurricular activities and cultural activities are very good.
13. Career Councelling-70% students response that career counseling facility available in the college was not good.
14. Canteen Facility - About 90% students response that canteen facility available in the college is average.
15. Toilet (Boys and Girls)-Only 60% students satisfied about the toilet facility available in the college.
16. Cycle stand- 80% student response is very good about cycle facility available in the college.
17. Drinking water-Only 50% student satisfied about the fresh drinking water facility available in

- the college.
18. Security of Girls-70% response that safety of girls is very good.
 19. Divyang Facility-Only 50% students satisfied about the divyang facility in the college.
 20. Helpline Desk- 60% students response is average about help desk facility available in the college.
 21. Complete Valuation of College- 40% students response that college is very good and 20% student response is very good.

The following are the general observations from feedback received -

1. Teachers motivate students to participate in various curricular, co-curricular and extra-curricular activities.
2. Teachers help students coming from weaker sections of the society.
3. Students have understood the subject better due to the efforts of the teachers.
4. Teachers complete the syllabus prescribed for the academic year.
5. Teachers try to generate interest in students.
6. Teachers create new ideas and increase the creativity of students.
7. There is always interaction between students and teachers so that students can freely raise questions or doubts.

Suggestions :

- i. Career counseling cell should work more effectively.
- ii. Internet and Wi-Fi facility be extended.
- iii. Library facility should be extended.
- iv. Computer facility, Drinking water, Helpline desk, Sport ,Canteen and toilet facility should be improve.

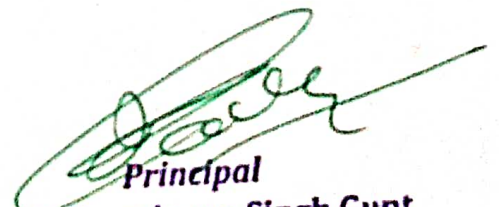

Action Taken -

1. Water cooler with purifier installed.
2. Canteen building prepared for students and staff.
3. Renovation of toilet is completed.

PARENTS FEEDBACK ANALYSIS REPORT

2018—2019

Feedback from parents allows the institute to reevaluate its service provision and thus cater to providing excellent service towards the students. Parents have entrusted the future of their children into our hand and thus they play a very important role in the development and enhancement of the quality of this learning experience.

Parent's reports addressed issues like admission procedure, infrastructure, canteen facility, library, sports, cultural, guidance and counselling for students, placement, personality development, information about communication technology etc

56 % parents are good opinion on admission procedure, 39% parents give positive opinion on infrastructure and laboratory facility.

An average of 53% of the parents reported that library facility is good

50-58% of the parent's good response on sports and cultural activities, guidance and counselling for students, girl's security in campus. 40% parents' good opinion on information and communication technology in college.

Suggestion:

Increase the number of fees counter

Canteen facilities

Cleanliness of washroom

Laboratory equipment

ICT facilities

Wi-Fi facilities for students

Drinking water facilities

Action taken

Time of library is extended

Canteen facility started for students and staff

Proper cleaning of washroom
