The feedback from students on content of syllabus, course completion college facilities etc was obtained from students through structured questionnaire which included 21 questions on various aspects of syllabus, college facilities, library, sports facilities and suggestion for further improvement.

In the session 2022-23, we have taken students feedback online through Google Form. We have taken feedback from college students on 21 points/questions as you seen in previous page.

The feedback results reveals that students fill the feedback form and calculated that on an average students agree with the content of syllabus, course completion timely, transparency in exam, lab facility, staff and faculty behaviour, drinking water availability. More than 50% students agree with very good on providing sport facility, co-curricular and cultural activity, parking facility and very good academic atmosphere of the institute.

Suggestions:-

- 1) Students suggested to increase the ICT facility.
- 2) Students suggested to upgrade the Library Facility.
- 3) Students suggested to increase the number of referenced books in Library.
- 4) Students suggested to increase the number of computer system in Lab (Computer Science and Application Department) for practical.
- 5) Students suggested to clean the bathroom regularly.
- 6) Students suggested to open canteen in college campus.

Action Taken:-

- 1) New books purchased in library which relevant new syllabus.
- 2) Regularly cleaning both washroom.
- 3) Install 20 CCTV Camera for Security.
- 4) Install New Water cooler and filter purchased.
- 5) Process for open canteen in college campus.
- 6) ICT facility provide in library reading room.
