The college has established contact with its alumni and collected feedback personally. The feedback given by alumni is valuable for our college. Because it provides us information about the facilities and employability potential provided by the college to our students and motivate them to improve if there are any shortcomings. The college involves the alumni in various activities which is the tradition of the college. We have prepared feedback by including teaching learning process, curriculum, library, sports and other facilities for the all round development of the students.

From the feedback analysis of the alumni, it is found the 76% students feel proud to be a student's of this college while 24 percent students are Agree. 70 percent students have said that the education received from the college is useful in career building. 91 percent student said that they got the inspiration for dedication towards society and country from college education. 79 percent student said that along with education in college, Sports and other facilities are necessary for personal development and 71 percent student believe that teacher has a very important contribution in career guidance.

Suggestion:-

1. New books and authentic books for P.G. students.
2. Maintain discipline in college.
3. Organize more culture programs.
4. Start English literature, course.
5. Registration of Alumni association.
6. Organize cleanliness champing.

Action taken:

1. New books purchased for competitive exam.
2. Discipline committee of college activity regularly.
3. Cultural programmers organized in occasionally.
4. Start English literature in B.A.
5. Registration of Alumni association in process.

Feedback was taken from the parents of the students about the facilities provided by the college. Analysis of feedback from parents of students shows that the academic activities, discipline, timely lectures, practical work and related activities provided by the college have been considered good by most of the people. 219 parents have considered the admission process of the college as good which is simple and fair and 7 people have said it is bad. The infrastructure and laboratory facilities were rated as good by 255 people which is the highest among all the evaluation points and 12 people rated it as bad. 200 out of 500 students described the canteen facility in the college as bad. The processes adopted by the institute and the quality of education and training provided are considered to be the best in its contribution to the personality development of their children.

Suggestion Given to Parents

- 1 Canteen facility should be made available in the college campus
- 2 Arrangements should be Uniform for the students in the college.
- 3 Entry of anti-social elements should be prohibited inside the college premises.
- 4 Hostel seats should be made available for each category.
- 5 There should be Wi-Fi facility in the college campus.

Action Taken

1. Internet broadband speed increased.
2. Entry of Antisocial elements prohibited inside of college campus.
3. Uniform for students committee made for working an applied in Department of Physics.
4. Given tender for opening canteen facility.

The feedback from students on content of syllabus, course completion college facilities etc was obtained from students through structured questionnaire which included 21 questions on various aspects of syllabus, college facilities, library, sports facilities and suggestion for further improvement.

In the session 2022-23, we have taken students feedback online through Google Form. We have taken feedback from college students on 21 points/questions as you seen in previous page.

The feedback results reveals that students fill the feedback form and calculated that on an average students agree with the content of syllabus, course completion timely, transparency in exam, lab facility, staff and faculty behaviour, drinking water availability. More than 50% students agree with very good on providing sport facility, co-curricular and cultural activity, parking facility and very good academic atmosphere of the institute.

Suggestions:-

- 1) Students suggested to increase the ICT facility.
- 2) Students suggested to upgrade the Library Facility.
- 3) Students suggested to increase the number of referenced books in Library.
- 4) Students suggested to increase the number of computer system in Lab (Computer Science and Application Department) for practical.
- 5) Students suggested to clean the bathroom regularly.
- 6) Students suggested to open canteen in college campus.

Action Taken:-

- 1) New books purchased in library which relevant new syllabus.
- 2) Regularly cleaning both washroom.
- 3) Install 20 CCTV Camera for Security.
- 4) Install New Water cooler and filter purchased.
- 5) Process for open canteen in college campus.
- 6) ICT facility provide in library reading room.
