

## STRATEGIC PLAN 2022-27

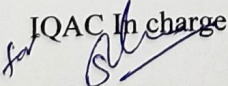

The strategic planning committee and the decision-makers had discussions about how to create the strategic plan. Students, parents, alumni, faculty, staff, business leaders, and academics all provided feedback. The opinions and perceptions of experts from the governing council, academic council, and student council were compiled. Also, feedback was obtained during college council meetings, faculty meetings, department council meetings, alumni meetings, and student union meetings. A preliminary Strategy Plan 2023-2028 was developed and presented to the Advisory Committee based on the discussions and suggestions. The advisory group reviewed the draft version, made improvements and ideas, and then adopted the Strategic Plan 2023-2028 with the required changes.
