

Swami Vivekanand Library

Principal
Govt. Ghanshyam Singh Gupta
P. G. College, Balod (C.G.)

4.2.1

The library automation is the use of automatic and semi-automatic library activities as acquisition, cataloguing, and circulation. Library automation' is used to imply just the mechanization of traditional and/or manual house-keeping routines of a library. Our college established in 15 august 1983 with one post of Librarian and one post of book-lifter. Since then, there are nearly 33144 books. There is no formal software purchased and installed in the library of college. However semi-automation is in progress. The process of doing semi automating in library is being done by manual entry of books in the excel-sheet. From this process, the library records for issue of books to student and its return to library will be easier.

From this process following may be possible:

- 1.Maintaining the Issue records of books.
- 2.Listing of books by Authors name
3. Listing of books by Publishers
- 4.Listing of books by Price
5. Listing of books by subject-wise
- 6.Listing of books by Item-wise, i.e., UGC, Book-Bank, SC/ST etc.
- 7.Receipt and Billing records may be maintained.
